Hon. Allen Dulles
Director, Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

I thank you for your letter of January 28th in response to my letter of January 18th.

Since writing you, I have received a reply to my letter to the State Department, and am pleased to enclose a copy thereof so that you may be fully apprised of the State Department's attitude in the matter.

With all deference to the opinion expressed in your letter of January 28th, I am compelled to urge your reconsideration of the contents of my former letter.

As I appraise the utterances of King Ibn Saud, they are not of his thinking, but rather as conceived by former Nazi war criminals who are there. These men are inspiring the Middle East, creating a fire against the Western Allies. They will continue their course of conduct until steps are taken to repress them.

It is our hope that you will set in motion the machinery to accomplish these objectives.

Respectfully yours,
